

Monolith Notte M09

Surface: Matt. Non-porous through the body - no sealing at any point.

Every day

Cleaner	Neutral pH detergent and warm water
Cloth	Microfibre, rinsed - not a scouring pad
Drying	Wipe dry on polished finishes to avoid water marks

Avoid

Hydrofluoric acid	Attacks the body. Never use.
Abrasive creams	Will dull a polished surface
Wax and sealer	Not required, and leaves a film that does mark

Ardesa Surfaces - Cami Vell 118, 12540 Vila-real, Castellon, Spain
